

SB 22 REQUESTED RESEARCH

Below please find the requested information from the hearing on Wednesday, January 28, 2015. Committee members asked for three pieces of information; the current cost for licensure for all license types with the Board of Social Work Examiners & Professional Counselors; a list of other Boards at the Department of Labor and Industry that require a registration of training type people and lastly; the numbers of complaints per year that have been received at the board office against current people in training.

Current Fees. These fees apply to all credentials: social workers, professional counselors and marriage & family therapists:
